

Congratulations...

On September 24, 1994 over 500 hospice nurses sat for the second hospice nursing certification examination. Four hundred and sixty-one passed, thus bringing the total of CRNHs to 943. The "typical" CRNH is a staff nurse who is a graduate of either

Zahn, Mary

NOTE: Not all the names of those who passed the September 24 certification appear on this list. The names of those who are HNA members who have not given permission to publish their names have been withheld. Any among them who would like their names to appear in FANFARE should call the national office and we will print them in the next issue.
